Re: *Pharmaceutical Research and Manufacturers of America v. Sean O'Day, in His Official Capacity as Director of the Oregon Department of Consumer and Business Services, 25-1018*

Dear Mr. Harris,

I am counsel for Sean O'Day, who in his official capacity as director of the Oregon Department of Consumer and Business Services is respondent in this matter. I write to request a 44-day extension of time to file the brief in opposition. The brief is currently due April 29, 2026. Granting this request would make the brief due June 12, 2026. Additional time is needed due to competing deadlines in other matters and to thoroughly research and analyze the issues presented by petitioner and its supporting *amicus* in this case, as well as to prepare the response to the petition.

Thank you for your time and assistance in this matter.
