Re: Homewood Associates, Inc. v. United Government of Athens-Clarke County,
Georgia
No. 25-1090

Dear Clerk:

Pursuant to Rule 30.4 of the Rules of this Court, Respondent respectfully requests an extension of time of 21 days, to and including May 7, 2026, within which to file a response to the petition for a writ of certiorari in the above-captioned case.

This request is necessitated by a medical emergency affecting Respondent's lead counsel. Specifically, counsel has experienced an unforeseen medical condition that has required immediate, surgical treatment and that has significantly limited counsel's ability to prepare the response within the time required under the rules. Counsel is presently under medical care and is working diligently to resume full professional responsibilities as soon as practicable.

This is the first request for an extension of time in this matter. The requested extension is made in good faith and not for purposes of delay, but rather to ensure that Respondent may adequately and appropriately respond to the petition through lead counsel who is able to properly represent Respondent.

All counsel for Petitioner has been notified of this request and consent. They are copied on this correspondence
