Dear Attorney Ballweg or Alternate,

As you were the last attorney known to be representing the DOJ in the above cited case, the case is in the process of being docketed by the Office of the Clerk, United States Supreme Court for review to provide necessary precedent to rule of law violations. You received the rule of law violations in my letter of March 12, 2025. I have not received from you to date any reply letter acknowledging receipt of my March 12, 2025 letter. A reply by you or your replacement in this case would allow contact between us and also with the Office of the Clerk, SCOTUS.

I have enclosed three (3) copies of my petition for writ of certiorari as required by Rule 29.3 of the Court. The petition contains the specifics on the rule of law that has been violated in this case. This case also involves the exercise of authority and/or jurisdiction without legal basis (Ultra Vires) by the Defendant (Respondent) and against the full weight of evidence and facts knowingly omitted and/or dismissed throughout this case by the Defendant (Respondent).

Respectfully submitted,

/s/ E. Alexander Lapotsky

Edward A. Lapotsky
