Supreme Court of the United States

RE: Case No. 25-125, *Davis v. Ermold, et al.*,  
Petitioners' Objections to Respondents Request for Extension of Time

Dear Clerk Harris:

Petitioner writes, pursuant to Rules 21.4 and 30.4, to object to Respondents' request for 30 additional days beyond September 8, 2025, extending the time to file their response to Petitioner's Petition for Writ of Certiorari to October 8, 2025. Petitioner filed the Petition for Writ of Certiorari on July 24, 2025, and the Court docketed it on August 1, 2025. On August 4, Respondents waived their response. On August 6, this Court distributed the Petition for conference on September 29, 2025. A response was requested from the Court on August 7, 2025, providing Respondents with 30 additional days to file a response by September 8, 2025.

Five days later, on August 12, Respondents requested 30 additional days. In light of the above, this request is unreasonable. At most, 10 days or less should be sufficient.

Petitioner respectfully requests that the motion be denied, or, in the alternative, the time provided be less than requested by Respondents.

Respectfully submitted,

Mathew D. Staver,  
*Counsel of Record for Petitioner*
