## NOTICE OF ERRATA

Petitioner respectfully submits this Notice of Errata to correct inadvertent errors in the Appendix to the Petition for a Writ of Certiorari, filed on July 31, 2025.

The errors appear in the retyped reproduction of the United States District Court for the Eastern District of Wisconsin's January 20, 2023, Decision and Order (Appendix B to the Petition). These errors resulted from the inadvertent acceptance of edits suggested by automated review software during preparation. The modifications were not intentional, and counsel did not become aware of them until they were raised in Respondent's Brief in Opposition.

Petitioner stipulates to the accuracy of the text provided in Appendix D to Respondent's Brief in Opposition and respectfully requests that the Court substitute it for Petitioner's Appendix B in its consideration of this matter.

Respectfully submitted,

/s/ Kristin Leigh McGough
