Re: *Miller v. McDonald*, No. 25-133
Request for extension of time

Dear Mr. Harris:

I write on behalf of respondents Dr. James V. McDonald, in his official capacity as Commissioner of the New York State Department of Health, and Dr. Betty A. Rosa, in her official capacity as Commissioner of the New York State Department of Education, to request an extension of the deadline in which to respond to the petition for a writ of certiorari in this matter. The current deadline is October 3, 2025, and respondents respectfully seek an extension of 30 days, which would make the opposition due on Monday, November 3, 2025. This is respondents' second request for an extension.

The additional extension is warranted because of the press of other pending matters, including matters before this Court, that require attention in the same time frame. Counsel for petitioners consents to this request.

Thank you for your consideration.

Respectfully submitted,

Barbara D. Underwood
Solicitor General
