Re: Request for extension of time to file response to petition
In Re Roxanne M. Marschner v. Richard A. Marschner
Court File No. 25-1349

Dear Mr. Harris:

I am counsel for the Respondent in this case. I am writing to request a 12-day extension of time in which to file the brief in opposition. The brief is currently due August 14, 2026. Granting this request would make the brief due August 26, 2026.

This is Respondent's first request for an extension of time to file the response. Good cause exists for the requested extension. I counsel in a small firm and am the only family law attorney. Additional time is required due to competing deadlines in other litigation, including two significant family court trials, a Minnesota Court of Appeals brief, along with the need to thoroughly research and prepare a response to the petition in this case.

Thank you very much for your time and assistance in this matter.

Respectfully,

Brekke, Clyborne & Ribich, L.L.C.
