Re: No. 25-1373; *Trinseo Europe GMBH v. Kellogg Brown & Root, LLC, et al.*; In the Supreme Court of the United States

Dear Mr. Harris:

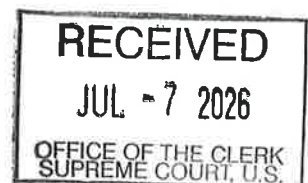

The petition for a writ of certiorari in the above-captioned case was filed on June 2, 2026, and placed on the docket on June 11, 2026. The response to the petition for writ of certiorari is currently due on July 13, 2026. Respondents Stephen Harper, also known as Steve Harper; Steve Harper Consulting, Incorporated; and Polycarbonate Consulting Services, Incorporated respectfully requests, under Rule 30.4 of the Rules of this Court, an extension of thirty days to file their brief in opposition. Counsel requesting this extension is not currently a member of the Bar of this Court and understands that the brief in opposition must be filed by a member of the Bar. Counsel is preparing his request for admission to this Bar.

This extension is necessary because the attorneys with the principal responsibility for preparation of the brief in opposition have, among other matters, prepared for, and been lead trial counsel in *American Express National Bank v. VoIP Solutions Inc., et al.* (No. 25-cv-077343) in the Courts of Fort Bend County, Texas from June 30, 2026 to July 1, 2026. The requested extension will enable counsel of record to complete work on this response while meeting his other obligations.

Respectfully submitted,

/s/ Benjamin F. Foster
