Re: Margo Roman
v. Massachusetts Board of Registration in Veterinary Medicine
No. 25-138

Dear Mr. Harris,

The Court has requested that the respondent in the above-captioned case file a brief in response to the petition for a writ of certiorari by October 3, 2025. Pursuant to Supreme Court Rule 30.4, the respondent respectfully requests that its time to file such a brief be extended by 60 days, to Tuesday, December 2, 2025.

This request is based on the need for additional time prepare a response to the petition. While undersigned counsel will prioritize the matter, additional time is necessary due to overlapping briefing deadlines; the considerable internal review of the brief that will precede its filing; and the need to coordinate with multiple reviewers. Counsel for the petitioners has assented to the requested extension.

Undersigned counsel is not yet admitted to the Supreme Court Bar but intends to move for admission promptly and further understands that the response to the petition for a writ of certiorari must be filed by an attorney who is a member of the Supreme Court Bar.

Thank you for your consideration.

Sincerely,

/s/ Grace Gohlke
