Re: Christina Casarez v. Irigoyen Farms, Inc., et al., S. Ct. No. 25-1421  
Respondent Irigoyen Farms, Inc.'s Application for an Extension of  
Time to File a Brief in Opposition

Dear Mr. Harris:

Pursuant to Supreme Court Rule 30.4, Respondent Irigoyen Farms, Inc. respectfully requests a 30-day extension of time to file its Brief in Opposition to the Petition for a Writ of Certiorari in this matter, to and including August 26, 2026. Irigoyen Farms, Inc. certifies that it is not a public company and no public company owns 10% or more of its stock.

The Petition for a Writ of Certiorari was docketed following this Court's grant of Petitioner's application for an extension of time to file the initial writ on March 31, 2026. The current deadline for the Brief in Opposition is July 27, 2026. This application is being submitted on July 7, 2026, more than 10 days prior to the expiration of the current deadline and is therefore timely.

An extension of time is necessary because of the complexity of the preemption issues involved and the need to thoroughly address the extensive appellate record from the California Court of Appeal, Fifth Appellate District. Furthermore, counsel for Respondent has been fully engaged in concurrent litigation matters, including complex litigation trials. Additional time is vital to ensure that Respondent's Brief in Opposition is fully developed, accurate, and of maximum assistance to the Court.

In accordance with the Court's guidelines, Respondent has attempted to ascertain the position of the other parties. On July 1, 2026, counsel for Respondent sent an electronic mail inquiry to all counsel requesting whether they would agree or object to the proposed extension. As of the date of this letter, no response has been received.

The Honorable Scott S. Harris  
Clerk of the Court  
Supreme Court of the United States  
July 9, 2026  
Page 2

Respondent will immediately notify the Clerk's Office should any formal opposition be communicated. No prior extensions of time have been requested or granted to Respondent in connection with this filing. Accordingly, Respondent respectfully requests that the time within which to file its Brief in Opposition be extended by 30 days, up to and including August 26, 2026.

Respectfully submitted,

Edward R. Hugo
