Re: *Suncor Energy (U.S.A.) Inc., et al. v. County Commissioners of Boulder County, et al.*, U.S. Supreme Court No. 25-170.

Dear Mr. Harris:

I write with regret to inform the Court of a typographical error in the Brief of the Center for Environmental Accountability as *Amicus Curiae* in Support of Petitioners in the above-referenced matter. The error is as follows:

On page 15, in the fifth line from the bottom of the page, the phrase “flips to one against preemption” should read “flips one in favor of preemption.”

I apologize for the error. Please note that this would add two words to the word count, bringing the total to 5584.

Sincerely yours,

/s/ Paul E. Salamanca
