Re: *MSN Pharms. et al. v. Novartis Pharms. Corp.*, No. 25-225

Dear Clerk Harris:

The Petition for a Writ of Certiorari was docketed in the above-captioned matter on August 26, 2025. The Respondent filed a waiver on September 2. The Petition was distributed yesterday, September 3, for consideration during the conference on September 29. Under Supreme Court Rule 37.2(a), amicus curiae briefs are due on September 25.

On behalf of the Petitioners, I write to inform the Court that besides the amicus brief filed yesterday by the Association for Accessible Medicines, the Petitioners anticipate that at least five more amicus briefs in support of the Petition are forthcoming: (i) a brief by Professor Jonathan Masur of the University of Chicago Law School and Professor Lisa Larrimore Oullette of Stanford Law School; (ii) a brief by the Public Interest Patent Law Institute; (iii) a brief by Professor Joshua Sarnoff of DePaul College of Law and other scholars; (iv) a brief by Sigmapharm Laboratories; and (v) a brief by Unified Patents.

The Petitioners respectfully request that a copy of this letter be distributed to the Court.

Respectfully submitted,

Amit R. Vora
