**Re: Avianca Group International Limited v. Burnham Sterling and Company LLC, et al.,
No. 25-25**

Dear Sir:

The petition for a writ of certiorari in the above-captioned case was filed April 15, 2025. Respondents' brief in opposition is now due September 15, 2025. I write on behalf of respondents to request a thirty-day extension of time, to and including October 15, 2025, within which to file respondents' brief.

The extension of time is requested because counsel for respondents has multiple intervening and preexisting work commitments which interfere with the preparation of respondents' brief in opposition. Given counsel's preexisting work commitments, the additional time is necessary to ensure the preparation of an adequate brief in opposition.

Sincerely,

/s/ Peter Friedman
