Re: Libby Hilsenrath, on behalf of her minor child, C.H. v. School District of the Chathams, et al.
Case No. 25-256

Dear Mr. Harris:

This office represents Respondent, Board of Education of the School District of the Chathams in the above-referenced matter. Presently, Respondent's deadline to oppose Petitioner's Petition for Writ of Certiorari is October 6, 2025. Pursuant to Rule 30.4, Respondent respectfully requests a 30-day extension of the deadline to submit its Brief in Opposition to the Petition for Writ of Certiorari. The reason for the extension request is that the undersigned was on trial or preparing for trial since the beginning of September. This Trial lasted until September 30, 2025. Pursuant to Rule 30.2, this request is being made prior to Respondent's present deadline.

Additionally, the undersigned respectfully requests that the requirement to submit this request via electronic filing is relaxed. The undersigned's admission to the Supreme Court of the United States Bar is currently pending. On September 18, 2025, the undersigned received notice from Perry Thompson of the Attorney Admissions office that her admission is expected to occur on October 6, 2025. As such, the undersigned is unable to submit this request via electronic filing within Respondent's present deadline.
