Re: *City of Cook v. Nawara*, U.S. No. 25-303

Dear Mr. Bickell:

On September 12, 2025, a certiorari petition was filed in this case. The Court called for a response on October 2, and unless extended by the Court, the response is due on November 3, 2025. For the reasons that follow, and pursuant to Rule 30.4, Respondent respectfully requests an extension of 30 days, to and including December 3, 2025.

Respondent recently retained the undersigned as counsel, and, in light of other professional obligations, the additional time is necessary to allow counsel an opportunity to prepare a response that adequately addresses the points raised in the petition. This is Respondent's first request for an extension. I note that Petitioner received a 30-day extension of time to file the petition.

For these reasons, I ask that a 30-day extension be granted. Thank you for your attention to this matter.

Sincerely,

Allison M. Zieve
Counsel for Respondent
