Re: State of Alaska, et al. v. United States, et al., No. 25-320

Dear Mr. Harris:

As counsel for respondent Kuskokwim River Inter-Tribal Fish Commission in the above-captioned case, I write to request an additional thirteen-day extension of time, to and including December 9, 2025, for the four non-federal respondents to respond to the petition for a writ of certiorari. Petitioners' counsel has consented to this request, and the request aligns with the Solicitor General's extension request filed November 12.

On October 2, 2025, this Court granted a 30-day extension of time to respond to the petition, which moved the current deadline to November 17, 2025. Additional time is needed for the four non-federal respondents to coordinate their efforts, and because my colleagues and I have had numerous competing deadlines and other commitments that, absent an extension, will prevent us from devoting adequate time to respond to the petition. These include appellate briefs in *State of Alaska v. Newland*, 24-5280 (9th Cir.) (due Nov. 26) and *Holl v. Avery*, No. 25-4618 (9th Cir.) (due Dec. 3). A thirteen-day extension is necessary to enable us to balance these and other responsibilities with our obligations in this case.

Thank you for your kind attention to this matter.

Sincerely,

SONOSKY, CHAMBERS, SACHSE,
MILLER & MONKMAN, LLP
