RE: Request for extension of time to file response to petition
Jasmine Younge v. Fulton Judicial Circuit District Attorney's Office
S.C. No. 25-352

Dear Mr. Harris,

I am counsel for respondents in this case. On November 10, 2025, the Court requested that respondent file a Response to the petition filed in this matter by December 10, 2025. Pursuant to Rule 30.4, respondent respectfully requests that the time for filing a response be extended by 47 days, to and including January 26, 2026.

This is the respondent's first request for an extension of time to file a response. Petitioner requested and was granted an extension of time to file her petition. Good cause exists for respondent's requested extension. Apart from this case, I currently serve as lead counsel in approximately 25 cases in federal court and 8 cases in Georgia's state courts. I have had and do have numerous deadlines, depositions, and other responsibilities in these matters in November-December 2025 and early January 2026. Additionally, I am currently preparing to give oral arguments before the Eleventh Circuit Court of Appeals on December 11, 2025. Moreover, I have previously scheduled travel to spend with family over the Thanksgiving and December holidays. Finally, my response will need to be reviewed by numerous attorneys at the Fulton Judicial Circuit District Attorney's Office, the Georgia Prosecuting Attorney's Counsel, and the Georgia Department of Administrative Services. An extension of time would assist me in preparing a response that would be most helpful to the Court.

Accordingly, respondent respectfully requests that the time for filing a response to the petition for writ of certiorari be extended by 47 days, to and including January 26, 2026.

Sincerely,

/s/ Noah Green
