Re: *Donald Olsen v Aaron Salter*  
U.S. Supreme Court No. 25-378  
Sixth Circuit Court of Appeals No. 22-1656

Dear Mr. Harris:

Respondent Aaron Salter hereby requests an additional fourteen days within which to file his Response to Petition for Writ of Certiorari, making the response due on or before December 29, 2025. Supreme Court Rules 15.3 and 30.4. Petitioner filed a petition for writ of certiorari in this Court on September 26, 2025, which was placed on the docket September 30, 2025. The due date for the brief in opposition was October 30, 2025, and this Court graciously granted an extension to December 15, 2025 upon the parties' mutual agreement.

At this time, respondent has attempted to contact opposing counsel and she has not made any response to date. Therefore, respondent is unable to obtain consent for a second extension at this time.

Petitioner raises in this case the question of whether police officers are liable under 42 U.S.C. § 1983 for the nondisclosure of exculpatory evidence in violation

of *Brady v. Maryland*, 373 U.S. 83 (1963) and whether the lower court properly concluded that Petitioner Olsen is not entitled to qualified immunity. Petitioner also raises the question in this case of whether a police officer is liable under 42 U.S.C. § 1983 for an unduly suggestive single-photo identification procedure.

Respondent requests this extension of time due to the schedule of Respondent's counsel of record Mark Granzotto. Lead counsel has briefs currently due in the Michigan Court of Appeals and the Sixth Circuit Court of Appeals at the end of December; and briefs due in the Michigan Court of Appeals on January 11<sup>th</sup>, 16<sup>th</sup>, and 20<sup>th</sup>.

In sum, Respondent respectfully requests an additional 14 days within which to file his response to the Petition for Writ of Certiorari, making the response due on or before December 29, 2025.

Respectfully submitted,

GRANZOTTO & WITTMANN, P.C.
