RECEIVED

OFFICE OF THE CLERK
SUPREME COURT, U.S.

Comes now, Petitioners, Carl Puckett “Pro-Se” and Marcella Puckett “Pro-Se” respectfully request that the Honorable Justice Ketanji Brown Jackson recuse herself from this case.

Petitioners do not believe that the justice could be fair and impartial on questions related to autopen use on judicial commissions, the constitutionality of presidential appointments of justices prior to the actual vacancy pursuant to the specific language of the statute 28 U.S.C. 371 (d), and pursuant to the findings of the Hurr report, President Bidens non compos mentes and inability to form intent since 2017 and whether the judicial autopen appointments are therefore null and void based upon the President's lack of INFORMED CONSENT. This would have a direct impact on the Honorable Justice Ketanji Brown Jackson herself and the validity of her own appointment

According to the Hurr report published February 5, 2024 during the interview with President Biden, “while reading these notes, Mr. Biden struggled to read his handwriting, and he showed part of the handwritten passage to Zwonitzer. The two then had the following exchange: Mr. Biden: Do you have any idea what the hell I'm saying there? Less on the number of what? Isn't that awful? President Biden continued to ask if he was still vice president?”

During confirmation hearing in response to Senator Blackburn, Justice Jackson stated she could not define the word woman in support of a woke political agenda rather than the law, as the word woman is defined in the blacks law dictionary, and in the role of applying the law and the definition of its terms Justice Jackson should have been able to exercise competence in legal terms as set forth in the Blacks Law dictionary. When Senator Blackburn asked Justice Brown if she was a woman she could not answer "I don't know I haven't been to a biologist"! During President Biden's announcement of Justice Jackson on the whitehouse lawn televised publicly, President Biden again referred to Vice President Harris as the President and announced Justice Jackson as the first Black FEMALE justice, which according to Justice Jackson herself had not been officially determined.

Petitioners believe that due to this close affiliation with the issues being presented, that the Honorable Ketanji Brown Jaxkson could not be impartial and unbiased in this matter (*see Judicial Disqualification An Analysis of Federal Law Third Edition 2020 Federal Judicial Center*) and therefore respectfully request that the Honorable Justice Ketanji Brown Jackson recuse theirselves from this case.

Respectfully Submitted,

8-19-25

We declare, under penalty of perjury, that the foregoing is true and correct. Executed this 19th day of August, 2025 in Martin Tennessee.
