Re: Request for extension of time to file response to petition
Faytima Howard v. Macomb County
S. Ct. No. 25-451

Dear Mr. Harris:

Under Rule 30.4 of the Rules of the Supreme Court of the United States, respondent respectfully requests a 30-day extension of time, to and including December 15, 2025, within which to file the brief in opposition in the above-captioned case. Petitioner filed her petition for writ of certiorari on October 10, 2025, and respondent's brief in opposition is currently due on November 14, 2025.

Good cause exists for this request. Respondent is currently coordinating with counsel and parties in other related matters now pending before this Court that may present overlapping or similar questions. Additional time is necessary to ensure consistency in the presentation of the issues and to allow respondent to prepare a brief that will be most helpful to the Court's consideration of the petition. This request is made in good faith and not for purposes of delay.

No prior extensions have been sought or granted in this matter. Counsel for petitioner has been notified of this request and does not object.

Sincerely,

Frank Krycia
