Re: No. 25-498, *Winston R. Anderson v. Intel Corporation Investment Policy Committee*

Dear Mr. Harris:

I write on behalf of all parties to request an extension of the briefing deadlines in this case. The Court granted the petition for a writ of certiorari on January 16, 2026. I understand that the case is likely to be argued during the Court's October 2026 sitting. Petitioners' opening merits brief is currently due March 2, 2026. On behalf of all parties, we respectfully request, under this Court's Rule 30.4, that petitioners' time to file their opening brief and any joint appendix be extended to and including April 13, 2026, and that respondents' time to file their brief be extended to and including June 22, 2026. Under this Court's rules, petitioners' reply brief would be due 30 days later, which is more than 10 days before the earliest possible argument during the October 2026 sitting.

Counsel seek the proposed extension given the press of preexisting work. My colleagues and I are heavily engaged with other matters between now and early April, and an extension will allow us to balance these other responsibilities with our obligations in this case. These deadlines include: a hearing in the Los Angeles Superior Court in *In re Juul Labs*, No. 19STCV22935, on February 3; a hearing in the 17th Judicial Circuit of Florida in *Craig Shapiro v. Juul Labs Inc.*, No. CACE19010866, on February 3; an oral argument in the Southern District of Indiana in *Richards v. Shein*, No. 1:25-cv-01385-TWP-TAB, on February 10; an opening brief due in the U.S. Court of Appeals for the Ninth Circuit in *Phlaum v. Navy Federal*, No. 25-7070, on February 17; an oral argument in the U.S. Court of Appeals for the Second Circuit in *Lowell v. Lyft, Inc.*, No. 24-2948, on February 20; an en banc oral argument in the U.S. Court of Appeals for the D.C. Circuit in the *National Treasury Employees Union v. Vought*, No. 25-5091, on February 24; a petition for a writ of certiorari due in the U.S. Supreme Court in *Electrical Workers Trust Fund v. United States*, No. 25A628, on March 1; an opening brief due in the U.S. Court of Appeals for the Seventh Circuit in *Xu Lun v. Milwaukee Electrical Tool Corporation*, No. 25-3347, on March 11; an oral argument in the Northern District of California in *Chen v. Bank of America*, No. 3:25-cv-03790-EMC, on March 12; a reply brief due in the U.S. Court of Appeals for the Tenth Circuit in *Shaffer v. Toyota*, No. 25-6115, on March 12; an opening brief due in the California Court of Appeals for the 2nd District, in

*Sjobring v. First American Title Co.*, No. B347938 on March 12; a petition for a writ of certiorari due in the U.S. Supreme Court in *Ethridge v. Samsung*, No. 23-40094, on March 16; an oral argument in the U.S. Supreme Court in *Flower Foods v. Brock*, No. 24-935, on March 25; and a reply brief due in the U.S. Court of Appeals for the Eighth Circuit in *MMIC v. OB/GYN*, No. 25-1758, on March 25.

Counsel for both parties request these extensions of time.

Sincerely,

*/s/ Matthew W.H. Wessler*
