RE: MANUEL JAVIER PEREZ V. STATE OF TEXAS, NO. 25-5183  
REQUEST FOR SUPPLEMENTATION OF THE RECORD

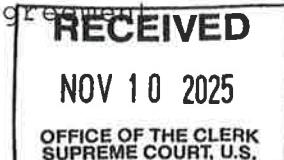

Dear Hon. Harris,

Petitioner believes that the record this Court previously requested is incomplete and asks this Court to request that the remainder of the record be transmitted by the Court of Criminal Appeals of Texas ("TCCA"). In short, only the record from case number WR-84,267-02 was transmitted to this Court and it should have also included the record from No. WR-84,267-01.

The case number under review in this Court is WR-84,267-02. However, in the March 12, 2025 Order under review the TCCA also "independently reviewed the claims Applicant raised in his initial habeas application." Ex parte Perez, No. WR-84,267-02, 2025 Tex. Crim. App. Unpub. LEXIS 82 \*1 (Tex.Crim.App. March 12, 2025). That initial habeas application is numbered WR-84,267-01. In reviewing those prior claims the TCCA necessarily considered the record in No. WR-84,267-01 as part of the No. WR-84,267-02 case under review in this Court (No. 25-5183).

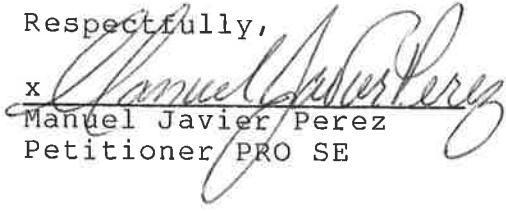

This Court's September 17, 2025 letter to the TCCA requested "the entire record." The record in case No. WR-84,267-01 should be considered part of "the entire record" in No. 84,267-02. Therefore, please asks the TCCA to transmit the record in No. WR-84,267-01 to this Court for Case No. 25-5183. This is important because some of the documents included in the APPENDIX to the Petition for Writ of Certiorari were part of the record in No. WR-84,267-01.

Due to my incarceration I do not know what record was actually priroyl transmitted to this Court nor can I obtain an agreement on this matter from the Texas Attorney General.

Thank you for your time and consideration of this matter.

Respectfully,

  
x Manuel Javier Perez
