Re: *United Water Conservation District v. United States of America*, No. 25-523

Dear Mr. Harris:

I represent petitioner United Water Conservation District in the above-captioned case. The Court docketed the petition for a writ of certiorari on October 29, 2025. The next day, the Clerk's Office advised me that petitioner should clarify its status as a governmental entity that is not subject to the disclosure requirement of Rule 29.6. Petitioner was established as a local public agency under California Water Code § 74000 *et seq.* and has not issued stock.

Respectfully submitted,

/s/ Thomas H. Dupree, Jr. \_\_\_\_\_
