Re: *Pitts v. New York*, No. 25-5389

Dear Mr. Harris:

I represent the respondent in the above-referenced matter, in which petitioner Steven Pitts has filed a petition for a writ of certiorari. The brief in opposition is presently due on September 17, 2025. Pursuant to Rule 30.4, I am writing to request an extension of time to October 17, 2025, to file a brief in opposition to the petition. This is respondent's first request for an extension. Petitioner's counsel has consented to this request.

I request this extension because of the press of other responsibilities. The Assistant District Attorney who is primarily responsible for this case is currently handling a separate appeal in the Appellate Division, First Department with more pressing deadlines for briefing and oral argument. The undersigned has also been responsible for reviewing several briefs in the New York Court of Appeals, Appellate Division, and U.S. Court of Appeals for the Second Circuit in the next several weeks. We therefore request an extension of time to October 17, 2025.

Thank you for your attention to this matter.

Respectfully submitted,

/s/ Steven C. Wu
