STATEMENT OF THE CASE

██████ the plaintiff in this above entitled case being presented on appeal by way of this petition I certify and declare under penalty of perjury that all statements stated herein are true and correct so help me God. While Incompetent housed within a State mental Health Hospital for incompetent/seriously mentally ill inmates as well as without any access to law library cases Law tablet with the withholding and refusing to issue or mail out legal mail incoming as well as outgoing resulting in many cases before the courts being dismissed ██████ State and Federal. I state that the judgment entered was an abuse of discretion error of law denial of justice fairness due process and equal protection of the laws as well as a conflict of interest. Due to the fact that both judges that entered judgment in South Carolina Dist. Court are judges parties to State Civil lawsuit filed pro se by the plaintiff in this action being presented herein with this honorable court the plaintiff further never give written consent

STATEMENT OF THE CASE

To have the magistrate enter or review case for judgment or ██████ any recommendation to be considered to be entered based upon this Judge findings in which are always ██████ bias prejudice and racism further in violation of the ██████ magistrate Judge's Act, Court rules, laws, statutes, as well as case laws. Thus any judgments entered in violation of this Act render's any judgments entered based upon this violation void and unconstitutional as in accordance with FRCP Rule 60(b)(4) and Fraud upon Court FRCP Rule 60(b)(3). The plaintiff states that every case that he ever filed within the South Carolina District Court / United States District Court no matter if it were a civil lawsuit or not this same magistrate Judge that entered judgment in this case without my consent was allowed to review and enter judgment in this case thus making judgment void as well as conflict of interest due to State Civil lawsuit pending in state court,

STATEMENT OF THE CASE

The plaintiff further states that all supporting documents Supplemental Amended Complaints as well as all supporting evidence and exhibits shows that the plaintiff case should have never been dismissed filed while incompetent/ Seriously mentally ill filed to the best of his understanding without any legal assistance or help in filing lawsuit yet plaintiff was still forced to comply with the rules laws and statutes all while also being denied access to Law Library or any case laws but knowing these stated facts still held to the degree of a skilled attorney thus unconstitutional to hold such incompetent pro se plaintiff to such standards of an attorney thus further due process, fairness, equal protection of the laws violations. Total denial of justice within this civil action before this Court herein.

STATEMENT OF THE CASE

The plaintiff states that he has been perjured against by the judges that entered judgments in his case the plaintiff states that he provided the Court with more than enough evidence to show and prove that his rights were violated and that he was entitled to have his case heard before the courts. In which denied him of this right unlawfully and further based upon error of law, denial of justice, abuse of discretion as well as due to judges being bias and perjured towards the plaintiff and conflict of interest judgment entered was not based upon law at all whatsoever. The plaintiff move this Court herein to review all filings entirely that was filed pro se by the plaintiff before making any judgments in this case before this Court in order to ensure and enforce rightful judgment herein.

STATEMENT OF THE CASE

The plaintiff states that the courts abuse its discretion knowing that the plaintiff have been assaulted over (70) times by staff officers and gangs bloods and crips staff that are bloods and crips mostly caught on prison video cam. Staff have went as far as going into the computer system within medical, classification, mental health to remove documents orders change medical status change max-out date status change cooper trust [REDACTED] account informations thus Fraud, deceit, further presenting false documentation. Destruction of plaintiff's personal property legal property evidence exhibits to help prove and support wrongful convictions in PCR cases, Federal civil rights lawsuits, State lawsuits Administrative Law Court cases Appeal cases thus property destroyed over 4 times By same staff

STATEMENT OF THE CASE

While at Broad River Correctional Inst A/w warden Cairns, warden Puccin pure racist people whom care nothing about my rights the constitution nor the laws rules statutes further care less about their own policy and procedure thus further allowed due to the fact that they have judicial officers within high ranking authority to allow this to happen and take place while they all turn a blind eye to justice throwing the rock and hiding their hands done meaningfully with ill will hatred

STATEMENT OF THE CASE

These officials refuses to stop their assaults attempts upon my life daily with inhumane treatments, living conditions, cruel punishments and denial of serious medical assistance for mandatory court ordered mental health treatments denied since 2021 still denied for PTSD, Bipolar Disorder, Anti social disorder, and paranoid schizophrenia yet everytime plaintiff responds in a wrongful manner due to being denied this all while incompetent/ seriously mentally ill he is punished assaulted mistreated with max out date changing unlawfully

Assaulted and pepper sprayed while in handcuffs and leg irons on while in cell sprayed with biggest pepper spraying gun for over 40 mins straight more than 3 different times without shaves or breathing treatments knowing that I have bronchitis that further done to kill me. As well as taking of my hernia belt 3 times for hernia in left balls lower growing area denied operation for since 2021 in which I have had this hernia since 2010 in which only reason I was allowed a operation is due to the PCR Judge Honorable Judge Carmen Mullen PCR Case# 2022-CP-10-2017. otherwise it would never had been ordered in which this could have resulted in my death many times while being assaulted while in handcuffs and leg irons. These officials allowed to place master lock on feeding flap so I cant eat or get meds for over a week in a row that cruel punishment. Furthermore,

STATEMENT OF THE CASE

plaintiff have been denied toothbrush toothpaste cup and spoon many times including denial of soap and toilet paper force to sleep on brick floor and steel in very cold cell over 7 days in a row at a time many different times once for 8 months in a row all while naked.

knowing these stated facts with supporting documents evidence the Courts still deny plaintiff chance to have day in court to be able to present these claims and violations and further receive punitive damages for the damages receive and the non stop on going cruel punishments, inhumane treatments, inhumane living conditions, as well as deliberate indifference ill will hatred towards the plaintiff done by officials that know what they are doing is wrong yet refused to stop but instead lie and cover it up as if it never happen.

like in the TCU, South Carolina Dept of Corrections Case# 2005-CP-40-2925. These officials are beyond evil further the Law states that if a clear known right is violated by governmental officials which know it is wrong and a clear right there is no immunity defense.

REASONS FOR GRANTING THE PETITION

The plaintiff states that the reasons that this petition must be granted is to ensure justice within a matter [REDACTED] where justice is being denied and perverted. Further so that the Court can make it clear for all other courts to have a clear understanding of the law in regards to cases like this case being presented before this Honorable as a guide in entering judgments in [REDACTED] cases like this case before this court. As well as due to judgment entered and this petition is based upon has been entered based upon abuse of discretion, error of law, denial of Justice fairness equal protection of the laws. Sentence and conviction void & unconstitutional

REASONS FOR GRANTING THE PETITION

The plaintiff states that this petition must be granted in order for the plaintiff to be able to have a chance per due process to have his day in court to prove that all claims and allegations raised by him are true and correct. Furthermore the plaintiff feels that this petition must be granted is to stop the ongoing non stop inhumane treatments living conditions, cruel punishments denial of seriously medical treatments for physical and mental health court ordered treatments. If this Court fail to grant this petition it would be a total denial of justice all together. Therefore based upon these stated facts as well as based upon all filings pro se filings exhibits supporting documents and evidence Court should grant petition for reasons stated herein. Sentence and conviction unconstitutional

Exceptional Circumstances

REASONS FOR GRANTING THE PETITION

Exceptional Circumstances

The plaintiff states that exceptional circumstance is that he feels that the judges within the District Courts within State of South Carolina as well as the Court of Appeals Judges all are not allowing him to be allowed to present his case rightfully further denying him of fairness equal protection of the laws as well as being bias and prejudice towards the rights of the plaintiff by not correctly applying the with the facts stated within the plaintiff's case if the Court of Appeals and the United States District Court had done this they would have not have denied the plaintiff's case. Further the plaintiff is

Exceptional Circumstances

REASONS FOR GRANTING THE PETITION

Exceptional Circumstances

Incompetent and requested many times that court provide him with a guardian ad litem with supporting documents evidence and proof of this fact Court documents ruling and showing that the plaintiff is in fact incompetent and has been since 2020 Based upon PCR case # 2022-CP-10-2017. Yet knowing these stated facts the Court still refused to rule in the plaintiff favor and allowing the plaintiff right to move forward with lawsuit instead of blocking the plaintiff even though he prove life [REDACTED] dangerment. the plaintiff as a matter of Law is entitled to have this Court review this judgment with all pro se filings, exhibits, evidence, and supporting documents. Plaintiff hereby states that he will not receive any justice in no other court and has no other remedy but to file petition with this court in which he enucle this Court's jurisdiction to review & enter judgment.

22
Exceptional Circumstances And why
Relief Cannot Be obtained in
Any other Court

The petitioner states that exceptional circumstances are that deadline has pass so that he is not able to file any administrative appeals at all whatsoever due to Fraud by staff withholding documents judgments entered and without notice of appeals provided until over 6 months after the finding of guilt thus making it impossible for the petitioner to petition any other court for review of this matter in which he has done so already not to have case dismissed due to statute of limitations deadline pass; Thus impossible to present in ^{any} court or to file ^{any} grievance hearing ^{any} this

Exceptional Circumstances And why
Relief Cannot Be obtained in
Any other Court

The petitioner further states due to him being incompetent mentally ill since 2020 as declared by PCN case # 2022-CP-10-2017 and Judge order of Dec 19, 2024 he does not have understanding of law to present case in any other court other than this court further without access to any law library. There is no other remedy in which the petitioner can go through in order to receive the relief sought within this petition herein being presented in good faith. Clem boards doctrine to ensure Justice within this matter where it is being denied and perverted.

23
Aid In the Courts Jurisdiction

The petitioner states that this petition will be an aid in this Courts jurisdiction due to the fact that there is no other remedy or court that has jurisdiction to hear this case. Further due to the fact that the statute of limitations has ~~pass~~ passed in which further bars petitioner from being allowed to present this petition and issues stated herein before the South Carolina Court of Administrative Law as well as SCCL State grievance procedure.

Aid In the Courts Jurisdiction

The petitioner states that he was not notified of the finding of guilt that was imposed upon him further without notice of appeal until 6 months or more thereafter of DHO major disciplinary hearings charges thus may pass deadline to appeal such judgments based upon Fraud and conspiracy by SCCL staff. Further due to bad faith unclean hands doctrine so that it would be impossible to appeal knowing all deadlines passed.

Aid In the Courts Jurisdiction

Furthermore the petitioner is incompetent mentally ill declare as such since 2020 see PCA case # 2022-CP-10-2017 judgment and order of PCA Judge Newman Dec 14, 2024 still incompetent and mentally ill now without any programs provided 30 months and wanting to have him restore to become competent. Therefore I urge court to take all this including no access to law library or legal tablet into full consideration when reviewing this petition and entering judgment thereof.

24(c9)
Conclusion

Based upon all stated facts along with life in danger conviction being void and unconstitutional I feel as a matter of Law and Justice as well as pursuant to Due Process fairness equal Protection of the Laws I am entitled to have sentence plea and conviction vacated as well as this petition granted in my favor further vacating known establish ~~void~~ void and unconstitutional Judgment I leave so here with on this day set forth below

Conclusion

The Petition for a writ of Certiorari should be granted
Respectfully submitted
