Rule 44 Petition for Rehearing. To The Supreme Court of United States under Rule 39 in forma pauperis.

Pursuant to Supreme Court Rule 44.2 Petitioner as a pro se Sonal N. Desai respectfully Petitions for rehearing of this Court January 26 2026 order denying their Petition for writ of certiorari and resubmitting again with correction as a Rule 34.1CF on 3-26.

It is presented in good faith and not for delay

Reasons for Granting The Petition.

1- significant change in law now Harassment is part of Discrimination now.

2. Material errors of Fact/Law - Lower court mis-interpreted a major point of Law regarding the damages, suffering and pain from last 15 years with knowing docs of various offices, union, EEO, EEOC, OFO. District court, court of appeal and supreme court.

3. Most Important Presenting New Evidences" of most of complains would have likely changed the outcome Presenting now.

### Summary

- 12-10-2012 - I accepted job at consumer affairs to answering phone at Merrifield. I had aggravated my condition due to lower back injury due to being up and down from chair. Put me back on OWCP roll after 9 days.
- 12-23-2012 - Supervisor Inam Haq send email to Kym and wrote that A negative response is required my previous <sup>Limited duty assignment</sup> work passed to the employee and still that work is available at my facility. My supervisor just pretend that he was looking for job.
- 2-10-2013 - my Vocational Rehabilitation Counselor email Mr. Charles that Post Office tried to give me job but I was unable to handle a simple position such as answering the phone.
- 4-16-13 / 4-22-13 → Mr. Inam Haq wants negative response. Now for 12-10-12 job Kym confirm, and also 2-10-13 Adina's email that I can't do job answering phone so intent

continue: 4-16-13 Refused job.

— offered me same job answering phone at other passport office. She wo knew that If i unable to handle 12-10-12 job i am not going to handle 4-16-13 job still i worked one day and aggravate my condition after next day Refused to accommodate table to the next window, i had no choice other than refused. passport office job has more up and down than private job. How 12-10-12 same job was suitable and 4-16-13 same job suitable?

5-22-13 — After one month FCE Results came for Dr Hasz waiting for validation for my job type. He clearly wrote jobs are sedentary if walking and standing are required but only occasionally. The passport office one day work, frequent up & sit. I refused after one day not same day before i start. but this was game they offered me job but i refused.

I requested my paychecks copies from 2013 to present. from 2013 to 2020 Post office put

The conclusion should request that the  
Petition for Rehearing be granted, the  
order denying certiorari be set aside  
and the initial petition for a writ of  
certiorari be approved.

Overturn the lower courts decision,  
leading to a new trial. I have too many  
other new evidences I can present in future  
due to limit of papers just send only  
couple of this time.

### Certification

Pro se Sonal N Desai certifying the petition for rehearing is filed in good faith and not for delay, as Rule 44-

And it is limited to the grounds specified in Rule 44.2.

With effect to resolve the issues of damages due to 3 injuries on the job loss earning full capacity of earnings and can work only 4 hrs/day since last 15 years. Post office put code 049 shows i am getting paid in their records but actually i am not getting paid since 10-21-13 to present.
