RE: Request for Extension of Time to File Response to Petition  
*Hammerlord v. Ferbert, et al.*  
Supreme Court Case No. 25-6671

Dear Mr. Harris:

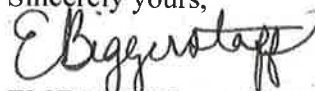

I am counsel for respondents on the above-mentioned case. I am writing to request an extension of time to respond to Petitioner's Writ of Certiorari. According to the Court's docket and Supreme Court Rule 15.3, Respondents' response is currently due on March 2, 2026. Pursuant to Supreme Court Rule 30.4, respondents respectfully request that the time for filing a response be extended 30 days to April 1, 2026.

This is respondents' first request for an extension of time to file a response. Good cause exists for the requested extension. In addition to this matter, I represent the City of San Diego in other cases and recently been in trial, which is expected to conclude on March 16, 2026. In addition, I have not received my admission to this Court. I submitted the required paperwork and application on February 12, 2026 and I acknowledge that a brief in opposition must be filed by a Bar member.

An extension of time would better enable preparation of a response that would be most helpful to the Court. Accordingly, Respondents respectfully requests that the time for filing a response to the petition for writ of certiorari be extended by 30 days to April 1, 2026. A copy of this letter has also been mailed to Petitioner.

Thank you for your time and attention to this matter.

Sincerely yours,

ELIZABETH L.A. BIGGERSTAFF  
Deputy City Attorney
