      RE: *Jasim Mohammed Hassi Ramadon*, 25-6778 - Motion under Supreme
            Court Rule 30.4 to Extend the Time to File a Brief in Opposition

Dear Mr. Harris:

This office represents the State of Colorado in the above-captioned case. Under
Supreme Court Rule 15.3, the initial deadline for filing a brief in opposition to the
petition for writ of certiorari is March 30, 2026. Pursuant to Supreme Court Rule
30.4, I write to request a 30-day extension of time, to and including April 29, 2026,
within which to file a brief in opposition.

This extension is necessary for the following reasons. First, additional counsel will
be participating in drafting and filing the brief in opposition, and more time is
required to adequately prepare the brief and respond to the issues raised. Second,
counsel are currently litigating various matters in the U.S. District Court, the
Colorado Supreme Court, and the Colorado Court of Appeals. Due to briefing and
other deadlines on those matters, counsel requires the extension to ensure adequate
time and attention may be paid to the issues raised in the petition.

In compliance with Supreme Court Rule 29, enclosed is a separate proof of service
evidencing service of this letter on the petitioner, who is proceeding pro se and *in
forma pauperis.*

Thank you for your attention to this matter.

Sincerely,

FOR THE ATTORNEY GENERAL
