12. Provide any other information that will help explain why you cannot pay the costs of this case.

My necessary monthly living expenses and debt obligations approximately equal or exceed my available monthly income, leaving me without sufficient funds to pay the filing fees in this case. I have minimal liquid funds available. My debts include a home equity line of credit of \$19,613; credit card obligations totaling approximately \$94,000 across multiple accounts (including RBFCU, Capital One, Discover, NFCU, Citi, Advantage, DATCU, Best Buy, and Discount Tire); and a federal COVID loan with a remaining balance of \$455 and a monthly payment of \$13. Due to financial hardship and prior delinquencies, I am unable to make the full minimum required payments on all revolving accounts each month, and the amounts listed reflect what I actually pay toward these obligations.

I declare under penalty of perjury that the foregoing is true and correct.
