MOTION FOR RE-HEARING

/s/ Roberto Corral
Petitioner: Roberto Corral
181 Lakebridge Dr. N.
Kings Park, NY 11754

USAP2 24-2574
25-7003

The objective of this re-hearing motion is to convince the Court that after Defendant deceived the members of the Court, it made a critical error in believing they were correct. However, most of it was pretext and defamation. After seeing the evidence, Petitioner Roberto Corral respectfully asks the Court to reverse or modify its decision.

To reach those hidden files, Plaintiff will be sending a Motion request to the Court to open "various Privileged files" that Defendant did not want to release them during the document exchange phase.

Petitioner is presenting his re-hearing motion in good faith.

Petitioner is attaching a Certification where he states his grounds for his motion are in good faith. Please see attached.

Petitioner has sent a copy of this Motion to Defendant.
