

SUPREME COURT OF THE UNITED STATES
NO.: 25-7028

ORLANDO R. ADKINS,
Petitioner, appearing pro se and proceeding in forma pauperis,

v.

UNITED STATES OF AMERICA,
Respondent.

PETITION FOR REHEARING

Pursuant to Supreme Court Rule 44.2 the Petitioner respectfully moves for a Rehearing of this Court's denying the Petition for Writ of Certiorari.

This Petition is based on newly discovered evidence that creates a fundamental conflict of interest, which was not previously available and presented to this Court.

STATEMENT OF GROUNDS

Subsequent to the filing of the original Petition, Petitioner discovered his trial counsel, Trey Kelleter, previously served as the Commonwealth Attorney who prosecuted Petitioner on the State charge of 49718-02.

This specific State conviction was used by the Federal Court to calculate Petitioner's sentencing guidelines and enhance his current Federal Sentence. This

creates an actual conflict of interest under the Sixth Amendment, as defense counsel was the very individual responsible for the paper Conviction used to increase Petitioner's term of imprisonment. This "intervening circumstance" and discovery of a "substantial ground" warrants a Rehearing to ensure the integrity of the Judicial process.

CONCLUSION

For the reasons stated above the Peititioner respectfully requests Rehearing be granted.

Respectfully submitted,

Orlando R. Adkins,
