**AFFIDAVIT OR DECLARATION IN SUPPORT OF MOTION FOR LEAVE TO PROCEED IN  
FORMA PAUPERIS**

I, Gregory Majersky, am the petitioner in the above-entitled case. In support of my motion to proceed *in forma pauperis*, I state that because of my poverty I am unable to pay the costs of this case or to give security therefor; and I believe I am entitled to redress.

1. For both you and your spouse estimate the average amount of money received from each of the following sources during the past 12 months. Adjust any amount that was received weekly, biweekly, quarterly, semiannually, or annually to show the monthly rate. Use gross amounts, that is, amounts before any deductions for taxes or otherwise.

9. Do you expect any major changes to your monthly income or expenses or in your assets or liabilities during the next 12 months?

No

If yes, describe on an attached sheet.

10. Have you paid – or will you be paying – an attorney any money for services in connection with this case including the completion of this form? No

If yes, how much? n/a

If yes, state the attorney's name, address, and telephone number: n/a

11. Have you paid—or will you be paying—anyone other than an attorney (such as a paralegal or a typist) any money for services in connection with this case, including the completion of this form?

No

If yes, how much? n/a

If yes, state the person's name, address, and telephone number: n/a

12. Provide any other information that will help explain why you cannot pay the costs of this case. As a result of the actions of Denver Public Schools and the difficult job market for people in the Information Technology field, as well as the demographics of this Petitioner (53 y/o, white, male, heterosexual) in the State of Colorado, despite the money in my savings, I am only able to obtain a part time job at the Denver minimum wage. I dare not leave the state for better employment as my daughter would be left with her mother, the child abuser who is still employed at Denver Public Schools.

I declare under penalty of perjury that the foregoing is true and correct.
