Re: *Otis McKane v. State of Texas*,
Cause No. 25-7055

Dear Mr. Danny Bickell:

The above-styled case is pending before your Court. The brief from the State of Texas was due on May 7, 2026. Due to a miscommunication between counsel, the undersigned counsel was unable to file the State brief in opposition until today. The State therefore requests a one-day extension to file its response.

Respectfully,

/s/ Andrew Warthen
