Declaration for In Forma Pauperis

Supreme Court of the United States of America

I'm filing a in forma pauperis motion for my case, because I'm a pro per defendant who has limited resources for my defense of the Constitution of the United States and would not be able to defend myself without the requested assistance of being given in forma pauperis status. Additionally, the counter party/defendant in this civil RICO ACT case is the Superior Court of California et al. and during the constitutional rights violations and violent crimes that are related this case they approved me for public assistance and even actually forced me to take public defender assistance. Unfortunately, this public defender assistance was not only being granted because of my financial situation and to ensure justice, but it was also being forced upon me as part of the criminal actions to commit the constitutional rights violations and violent crimes against me, my 2 kidnapped and still missing minor children, and my murdered father who died during the federal kidnapping of my 2 minor children.

I'm being attacked on a nonstop basis by a criminal organization that is trying to destroy me personally, professionally, financially, mentally, physically, and trying to kill me and prevent the recovery of my 2 kidnapped minor kids. These violent crimes and constitutional rights violations are ongoing & follow the same pattern of racketeering by the Superior Court of California et al. across multiple local, state, and federal jurisdictions and continue to drain me financially. Despite going to court showing certified official court records and prove there are no restraining orders, no court orders, & no tentative rulings I keep getting charge with the same misdemeanor charges over and over again in violation of my 5th amendment rights.

Additionally, my private business has been destroyed, my personal health care is being used as a weapon to attack me, and all these violent crimes are coordinated with legal attacks to inflict the most possible harm financially and otherwise and to prevent the recovery of my 2 minor kids. My father, who is a direct participant of the criminal conspiracy against me, died in 2023 while under the care of Kaiser Permanente, the same hospital attacking me using my personal health care and medicine as a weapon to attack me. My HIPPA, my prescription history, and doctor notes provide direct evidence proof of all of this.

I have direct evidence proof detailing judicial misconduct, prosecutorial misconduct, misconduct in the clerk's office, misconduct in the Sheriff's office, and massive public corruption by local, state, and federal law enforcement and courts.

Unfortunately, this has left my elderly mother in a difficult position to help support me. She is under constant threat too from the same people attacking me.

For the reasons above, I humbly request the Supreme Court of the United States grants me In Forma Pauperis status in my defense of the Constitution of the United States, the safe

recovery of my 2 kidnapped minor children, and provide a criminal referral to bring the criminal organization attacking me to justice.
