12. Provide any other information that will help explain why you cannot pay the costs of this case.

I am self-employed and have been for the last 6 plus years. This year I have not been able to work to increase or build my business or earn as much commission because my disabled sister who I care for has had multiple long hospital stays and she is currently undergoing at home infusion treatments. Her care is time consuming. Also, my husband left me on July 1, 2025, so I no longer have his income, which is what our family was previously surviving on. Actually, my church has had to help me with my living expenses and without them we would have become homeless.

I declare under penalty of perjury that the foregoing is true and correct.
