RE: Request for extension of time to file brief in opposition in *United States & Georgia ex rel. Barbara Sengers v. Quest Diagnostics Inc.*, No. 25-728

Dear Mr. Harris:

I represent Respondent Quest Diagnostics Inc., in the above-captioned case. Pursuant to this Court's Rule 30.4, Respondent respectfully requests that the time for filing a response be extended by 30 days to February 19, 2026. This is Respondent's first request for an extension of time and is made to ensure that counsel for Respondent have sufficient time to devote to the brief in opposition given the press of other matters as well as scheduled travel over the holidays.

Accordingly, Respondent respectfully requests a 30-day extension, until February 19, 2026, to file a brief in opposition.

Respectfully submitted,

Jeffrey S. Bucholtz
