PETITION FOR REHEARING

Pursuant to Rule 44.2, Petitioner John Dennis Karna respectfully petitions for rehearing of this Court's October 13, 2026 order denying his petition for a writ of certiorari. Rehearing is warranted because the Supreme Court of the United States was not aware of the intervening circumstances.

RELEVANT BACKGROUND

Petitioner Karna has been granted his motions for in forma pauperis throughout the Courts of Arizona. In forma pauperis is a Latin legal phrase meaning "in the manner of a pauper."

This case started in June 2021, when after the written contract to teach science was submitted to TUSD Human Resources, Principal Gunnels of Pistor Middle School concealed the risk of continuing the contract with John Dennis Karna.

It has been law in the State of Arizona since 1951 that only a dismissal can be granted when a jury trial of community peers has determined the question of genuine material fact. A judge acting alone cannot dismiss the lawsuit when there is a "genuine material fact." The dismissal is done in violation of the long-standing principle that said dismissal lacks jurisdiction.

When Judge Kuhn granted Defendants' motions to dismiss she violated said principle and law. Petitioner Karna's request for a rehearing must be granted by the Supreme Court of the United States.

The Arizona Supreme Court denied Petition for Review. APPENDIX G.

The Court of Appeals Division 2 unlawfully labeled the "Motion for Jurisdictional Discovery 2pdf (Treated as a Motion for Reconsideration)." APPENDIX I.

The Court of Appeals Division 2 unlawfully dismissed JOHN D KARNA v. AMPHITHEATER UNIFIED SCHOOL DISTRICT NO. 10; et al. APPENDIX K.

REASONS FOR GRANTING REHEARING

The Supreme Court of the United States has jurisdiction to vacate their October 13, 2026 denial of petition for writ of certiorari. *Marbury v. Madison* 5 U.S. (1 Cranch) 137,180 (1803.)

Rule 44.2 permits rehearing from the denial of certiorari when the petition is limited to “intervening circumstances of a substantial or controlling effect.”

The “intervening circumstance” occurred in September 2026 when Rev. Dr. John Dennis Karna, Esq. submitted his proposal to voluntarily teach Masoretic Hebrew and Koine Greek in AFTER SCHOOL HOURS on school campuses’ Bible Clubs in schools that were scheduled for closure. The proposal was intended to increase student enrollment at these schools and prevent their closure.

Said proposal was rejected by the TUSD Assistant Superintendent. Petitioner Karna proposed to present his proposal at Palo Verde High School on October 27, 2026.

Again, said proposal was rejected by the TUSD Assistant Superintendent during September 2026.

CONCLUSION

For the foregoing reasons, the Petition for Rehearing should be granted. The Court should vacate its October 13, 2026 order denying certiorari, and grant the rehearing.

I under federal law 28 U.S.C. § 1746 do certify
that the foregoing declaration is signed under
penalty of perjury.
