Re: *Westforth Sports, Inc. v. City of Chicago, Illinois*, No. 25-775

Dear Mr. Harris:

I represent Respondent City of Chicago, Illinois, in the above-captioned matter. On February 2, 2026, the Court requested a response to the petition for a writ of certiorari, due March 4, 2026. Pursuant to Supreme Court Rule 30.4, I respectfully request a 30-day extension of time, to and including April 3, 2026, to file the response. Counsel for Petitioner has authorized us to state that Petitioner does not oppose this request.

This is Respondent's first request for an extension of time, and there is good cause for this request. I face other pressing work responsibilities, including time-sensitive research and drafting for upcoming appellate filings, advising other counsel in firearms-related litigation, and preparing analyses for organizational priorities. Further, my colleague who will be assisting with drafting and reviewing the brief has significant supervisory and administrative duties, including editing briefs and other work product. Finally, an extension will allow adequate time for review by additional supervisors and by my client.

For these reasons, I request additional time to prepare an adequate response to the petition. Thank you for your attention to this matter.

Sincerely,

/s/ Priyanka Gupta Sen
