Re: Request for extension of time to file response to petition  
C.S. by her Next Friend, Adam Stroub v. Craig McCrumb, et al  
S.Ct. No. 25-831

Dear Mr. Harris

I am counsel for respondents in this case. Petitioners filed their petition for writ of certiorari on January 9, 2026. According to the online docket and pursuant to rule 15.1 and 15. 3 of the Rules of the Supreme Court of the United States, a response has been requested by the Court and currently due on April 2, 2026. Pursuant to Rule 30.4, respondents respectfully request that the time for filing response be extended by 30 days, to and include May 2, 2026.

This is the respondents first request for an extension of time to file a response. Good cause exists for the requested extension. I have trial scheduled to begin on March 24, 2026, with an unknown completion date, and the preparation for the same will demand a considerable amount of time in the coming weeks. In addition, the response must be reviewed by my clients, their principal, and multiple attorneys. An extension of time would better enable the preparation and attention necessary to respond in a manner that is most helpful to the Court.

Accordingly, respondents respectfully request that the time for filing a response to the petition for writ of certiorari be extended by 30 days, to and including May 2, 2026. Counsel for petitioners, John R, Monroe, has informed me by email that petitioners do not object to this request.

Sincerely

/s/DANIEL J. LoBELLO
