**Re: Union Carbide Corporation, et al. v. Lee Ann Sommerville
No. 25-919**

To the Clerk of Court:

Pursuant to Supreme Court Rule 30.4, Respondent Lee Ann Sommerville hereby requests a 30-day extension of time to respond to the Petition for Certiorari filed in the above-referenced matter. The response is currently due March 6, 2026. The requested extension would move that deadline to April 6, 2026.¹

This extension is justified by the complexity of the issues presented by the Petition as well as lead counsel for Respondent's in-person participation in an ongoing trial against social media companies in Los Angeles, docketed at no. 22-STCV-21355 (Superior Court of Los Angeles County).

Counsel for Petitioners has advised he has no objection to this request.

Dated: February 16, 2026

Respectfully submitted,

STEPHEN B. EDWARDS
Counsel for Respondent

cc: Mr. Donald Verrilli, Jr. (via email)
Counsel for Petitioners
