ORDER

THIS MATTER having come before the Court on Plaintiff's Post-Judgment Motion to Restore Public Access to ECF 107 and Its Attachments, to Terminate Any Temporary Sealing Designation, or, in the Alternative, to Require Narrowly Tailored Redactions; and the Court having considered the parties' submissions; and for good cause shown;

IT IS on this 15th day of April, 2026, ORDERED that:

- Plaintiff's Motion is GRANTED.

- No sealing order appears on the docket as to ECF 107 and its attachments, including ECF 107-7.
- Any temporary sealing or restricted-access designation applied to ECF 107 and its attachments is TERMINATED.
- The Clerk shall restore public access to ECF 107 and its attachments.
- In the alternative, to the extent any party seeks continued restriction of any discrete material, that party shall, within 14 days of this Order, file a narrowly tailored submission identifying specific proposed redactions and making the particularized showing required by D.N.J. L. Civ. R. 5.3.
- Plaintiff may file a response within 7 days after any such submission.
- Absent a sufficient showing supporting limited continued restriction, the Clerk shall maintain ECF 107 and its attachments on the public docket without further restriction, except for any specific redactions expressly approved by the Court.

SO ORDERED.
