Re: ***Pung v. Isabella County*, No. 25-95**

Dear Mr. Harris:

I represent Respondent in *Pung v. Isabella County*, No. 25-95. On October 22, Petitioner filed a motion to extend the deadline to file Petitioner's brief and joint appendix to and including December 1, 2025. After conferring with Petitioner's counsel, I write to request an extension of time to file Respondent's brief. Additional time is needed to thoroughly brief the questions presented given the press of other business and the fact that I did not represent Respondent in the lower courts or at the petition stage in this Court.

Under the Court's rules, absent an extension, Petitioner's brief would be due on November 17, 2025; Respondent's brief would be due on December 17, 2025; and Respondent's reply brief would be due on the earlier of (a) January 16, 2026, and (b) 2:00 p.m. 10 days before the date of oral argument. The Court has not yet set the case for argument.

Considering Petitioner's October 22 motion, the parties jointly propose to modify the briefing schedule as follows:

Petitioner's brief and joint appendix: December 1, 2025

Respondent's brief: January 12, 2026

Under the Court's rules, Petitioner's reply brief would continue to be due on the earlier of (a) 30 days after Respondent's brief is filed (February 11, 2026, if Respondent's brief were filed on January 12) and (b) 2:00 p.m. 10 days before the date of oral argument. Thank you for your consideration of this request.

Best regards,

/s/ *Matthew T. Nelson*
