Re: *Daniel Grand v. City of University Heights, Ohio, et al*
United States Supreme Court - Case No.: 25-965

Dear Mr. Harris:

I am counsel of record for Respondents City of University Heights, Ohio; Michael Dylan Brennan, Mayor, in his official and individual capacity; Luke McConville, City Law Director, in his individual capacity; and Paul Siemborski, City Planning Commission Member, in his individual capacity in the above-referenced matter. We respectfully request a 30-day extension of time to respond to the Petition for Writ of Certiorari (the "Petition"), pursuant to Rule 30.4.

The Court docketed the Petition on February 17, 2026, and Respondents filed a waiver of response on February 24, 2026. We subsequently received your notice dated March 11, 2026 requesting that Respondents file a response to the Petition on or before April 10, 2026.

Respondents request this extension to fully research and address the arguments made by Petitioner to assist the Court in ruling on this Petition. This request is also necessary to enable Respondents to evaluate the amicus brief that is yet to be filed -- but for which we were given notice -- in support of the Petition. Respondents also request an extension because of the press of business as well as an intervening family spring break vacation (one week) that will take present counsel out of the office.

Thank you for your consideration.
