Re: No. 25-989; *California Sportfishing Protection Alliance, et al. v. Adam Nickels, et al.*

Dear Clerk:

Pursuant to Rule 30.4, respondent San Luis & Delta-Mendota Water Authority requests that the deadline to file a brief in opposition to the petition for writ of certiorari in this matter be extended to April 22, 2026. The Petition for writ of certiorari was filed on February 17, 2026, and absent an extension any opposition is due on March 23, 2026. This request is made necessary by the press of business for counsel for this respondent, and a need to coordinate with the multiple respondents other than the United States regarding a joint brief in opposition.

Thank you for your consideration of this request.

Sincerely yours,

Julie L. Fieber
