Petition To Grant a Tolling Exception

Lee petitions the Court, pro se, to grant a tolling exception in regards to the time limit for filing the Petition For Certiorari. Petitioner has faced excessively egregious delays in attempting to obtain the necessary transcripts, case filings and briefs pertaining to the trial and appeal, from the appellate counsel, Matthew K. Winchester, State Bar No. 399094.

In order to adequately prepare his grounds for the petition, he requests the Court grant an extension.
