Forms, Mandamus for Record and Extension of Time to Petition

Dear U.S. Supreme Court Clerk,

I am an incarcerated and indigent prisoner in the Virginia Dep't of Corrections in need of the proper forms to petition for a Writ of Certiorari in Forma Pauperis. I have been incarcerated, indigent and previously ruled such throughout this action. I also need to have issued a Writ of Mandamus against the U.S. Court of Appeals for the Fourth Circuit to obtain a complete copy of the record in this case pursuant to Rule 20(3)(a) where I have requested this indispensable document on no less than three occasions now and remain unaware of what either subordinate court has and has not received from me pursuant to Rule 12(7). Due to these circumstances, the conditions of my confinement and the resulting aggravated physical and mental disabilities I'm forced to suffer through while attempting to win relief, I request an extension of time pursuant to Rule 13(5) to prepare my Petition for a Writ of Certiorari in Forma Pauperis. Thank you in advance for your time and attention to this matter. I declare under penalty of perjury pursuant to 28 U.S.C. §1746 and 18 U.S.C. §1621 that the foregoing is true and correct.

**PER CURIAM:**

William Parke Custis appeals the district court's order dismissing without prejudice his 42 U.S.C. § 1983 action for failure to comply with the court's order to submit a second particularized complaint. We have reviewed the record and discern no reversible error. Accordingly, we affirm the district court's order. *Custis v. Exmore Police Dep't*, No. 3:24-cv-00142-DJN-MRC (E.D. Va. Apr. 16, 2025). We dispense with oral argument because the facts and legal contentions are adequately presented in the materials before this court and argument would not aid the decisional process.
