4.  
To the Honorable Court of Appeals:

Pst. Richard D. Lancaster Appellant, moves this Court for an extension of sixty (60) days to file his Motion of Certiorari for the United States Supreme Court, as outlined in the Court's letter dated 4/27/26, and received by the Appellant on 5/6/26. The Appellant's request is based on a reasonable explanation for the need of additional time, namely:

The Appellant received notice from this Court about a week ago, and has spent the week in search of help, information and support for this process. The "Law Library" at this unit, despite hours of search, does not possess needed information to prepare this motion; therefore, the Appellant must write outside resources which may be able to help, but this requires time to receive any responses. Mail to and from this unit is slow.

The Appellant is sincerely and genuinely doing his best to comply with all rules and procedures of the Court.

For the foregoing reasons, the Appellant prays that this Court grant this motion and modify and extend any deadline for filing the Appellant's Motion for Certiorari to no earlier than July 15, 2026.

Date: 14 May, 2026

Respectfully Submitted,

Pst. Richard D. Lancaster  
Appellant, Pro Se.
