I am writting to request an extension of time to file my Petition of Writ of Certiorari due to the denial of my PLA form to the Illinois Supreme Court. I am requesting a 60 day extension due to the many lockdowns in this Correctional facility and only being able to go to the law library once a week. If we happen to be on a level 1 lockdown on the day of the week I'm suppose to go to the law library it will be cancelled and their is no telling when their will be a level 1 lockdown. I also need the assistance of a law clerk at the law library and it's difficult to find one available and their is no telling the same one who happens to assist me once will be there every 1 day of the week I go to the law library. My Illinois Supreme Court Case No. is 132966 and my PLA form was denied to the Illinois Supreme Court on 5/27/2026. Thank You I hope I'm granted the 60 days to file my petition. I am requesting, I will be waiting on a response. Sincerely Eduardo Lerma
