**SECOND MOTION FOR EXTENSION OF TIME TO FILE PETITION  
FOR WRIT OF CERTIORARI**

Pro se Petitioners/Appellants/Defendants, Palanikumar V. Gnanam, and Mul-  
lairani Gnanam, under the protection of US Supreme Court precedent for Pro Se lit-  
igants<sup>1</sup> entitling them to liberal construction, file this MOTION, titled "SECOND  
MOTION FOR EXTENSION OF TIME TO FILE PETITION FOR WRIT OF  
CERTIORARI".

<sup>1</sup> "The U.S. Supreme Court has established that filings by pro se litigants are to be held to less stringent standards than those prepared by attorneys, in recognition of the unique challenges they face in navigating legal procedures without professional assistance, Haines v. Kerner, 404 U.S. 519 (1972). In Erickson v. Pardus, 551 U.S. 89 (2007), the Court further emphasized that pro se pleadings are to be liberally construed to provide access to justice. Consistent with these principles, courts have a responsibility to ensure that pro se litigants are not prejudiced by their lack of formal legal training and to allow reasonable leniency in procedural requirements to prevent unjust outcomes due to technical legal errors."

MOTION FOR EXTENSION OF TIME

## **MOTION FOR EXTENSION OF TIME**

**To the Honorable Clarence Thomas, Associate Justice of the Supreme Court of the United States and Circuit Justice for the Eleventh Circuit:**

Petitioners, appearing *pro se*, respectfully move pursuant to **Rule 13.5** of the Rules of this Court for a further extension of time to file their Petition for Writ of Certiorari, up to and including **January 16, 2026**, to review the judgment of the Supreme Court of Florida entered **August 18, 2025**, in *Gnanam v. Keita*, No. SC2025-0657.

### **1. Prior Extension**

a) On Petitioners' earlier Rule 13.5 application, **Justice Clarence Thomas** extended the filing deadline from **November 17, 2025**, to **December 16, 2025**.

b) Petitioners now seek a final thirty-day extension to **January 16, 2026**.

### **2. Basis for Further Extension**

Since the first extension was granted, the **trial-court record has materially changed** due to ongoing post-judgment proceedings involving **fraud on the court and concealment of bankruptcy**.

a) The Duval County Court (Case No. 16-2024-CC-000687) remains actively engaged in hearings and filings arising from **concealment of Plaintiff Nathaniel Keita's Chapter 7 bankruptcy**, which was undisclosed during the state proceedings. The issues under active consideration include:

MOTION FOR EXTENSION OF TIME

- i. Motions to **vacate the judgment as void** for violation of 11 U.S.C. §§ 362(a) and 524(a)
- ii. Motions and judicial-notice filings detailing **fraud on the court** resulting from false representations and nondisclosure of the bankruptcy during the trial and appeal.
- iii. Requests for **judicial disqualification** and sanctions directed to counsel's participation in the concealment
- iv. Ongoing rulings and hearings (September–November 2025) confirming that the matter remains **procedurally and substantively active** in the lower court.

Copies of the latest docket pages containing the title page and pages 21 through 26 are attached as **Exhibit C**. This demonstrates the active nature of the trial Court and the recent proceedings.

### 3. **Good Cause and Diligence**

- a) The continuing proceedings in the Duval County Court directly impact the federal issues intended for review—specifically:
  - i. **Fraud on the court** and deprivation of due process
  - ii. **Jurisdictional defects** caused by the concealed bankruptcy and enforcement during an active stay

**iii. Conflict between federal bankruptcy protections and state-court enforcement actions**

- b) Petitioners are fully **pro se**. The Supreme Court docket **mistakenly listed Mullairani Gnanam as an attorney, but she is not an attorney** and has never represented anyone. Petitioners, fully **pro se**, must prepare the petition on their own, without legal assistance, while also managing the expanding record from the ongoing trial-court proceedings. Additional time is needed for them to complete the petition properly.
- c) A short additional extension will permit Petitioners to include the most current record, which is actively in progress, ensuring that the Petition accurately reflects the full scope of the proceedings and avoids piecemeal or duplicative filings.
- d) This request is made in **good faith**, not for purposes of delay, and is absolutely necessary in this case.

**4. Exhibits**

- a) **EXHIBIT A – Florida Supreme Court Order (August 18, 2025)**
- b) **EXHIBIT B – Fifth District Court of Appeal PCA Order (August 12, 2025)**
- c) **EXHIBIT C - Copies of the latest docket pages containing the title page and pages 21 through 26**

**5. Relief Requested**

MOTION FOR EXTENSION OF TIME

Petitioners respectfully request that the time to file their Petition for Writ of Certiorari be extended **thirty (30) days**, from **December 16, 2025**, to and including **January 16, 2026**.

Dated: November 16, 2025
