ON PETITION FOR A WRIT OF HABEAS CORPUS TO
THE UNITED STATES COURT OF APPEALS FOR THE ELEVENTH CIRCUIT

APPLICATION TO JUSTICE THOMAS FOR AN EXTENSION
OF TIME TO FILE A WRIT OF HABEAS CORPUS

Robert James Keaton, DC#R38454, Pro se
Santa Rosa C.I. - Annex
5850 E. Milton Rd.
Milton, FL 32583

STATEMENT OF FACTS

1. On September 24th 2024, the United States District Court for the Middle District of Florida entered a 68 page Judgment against Petitioner denying his 28 U.S.C. §2254. See Keaton v. Secretary
2. On June 3rd 2025, the United States Court of Appeals for the Eleventh Circuit denied Petitioner a certificate of appealability Pursuant to 28 U.S.C. §2253.
3. On August 20th 2025, the 11th Circuit denied Petitioner's motion for reconsideration.
4. On November 6th 2025, Petitioner attempted suicide due to the law library in part not recognizing and abiding by this Court's rules in an attempt to force Petitioner to file a writ of certiorari that was in non-compliance with this Court's rules.
5. Placement on self-harm observation status required Petitioner's property to be confiscated to this very day.
6. Petitioner's 68 page opinion will require combing through with a fine toothed comb considering Petitioner only has one eye. See Keaton v. Cartwright, et al. (Jan. 28 2025).
7. Petitioner is not allowed at the moment to have any of his legal documents. Also Petitioner was transferred on August 14th 2025 to Santa Rosa (PSYCHE WARD) from Gracerville.
8. If this Court issues a show cause order Petitioner will establish facts #1-7 via documentary evidence.

9. Petitioner's Writ of Certiorari was due today November 18th 2025 and due to "extraordinary circumstances" Petitioner believes that he is entitled to an extension of time.
10. I know that this Court probably presumes that if one can't follow this Court's rules then it is no way he can follow the rules if released back into society. However, Petitioner can only work with what he has and is doing the best he can until he is given access to his legal documents which includes this Court's rules which he will follow upon filing his writ of certiorari. It is best to give notice now which is timely rather than late even though this application was due 10 days ago according to the rules which could not be followed due to Petitioner's suicide attempt.

CONCLUSION

That Justice Thomas grants Petitioner an additional 60 days to file a writ of certiorari to obtain a "COA" in accordance with John v. United States.

Respectfully submitted

151 Robert D. Keaton DC#R38757

Pursuant to 28 U.S.C. §1746 Petitioner swears that facts #1-9 are true and correct and that he can be charged with perjury if he has made any false statement.

* Petitioner did not file the required index w/Appendix because he does not have these documentary materials.
